OMAHA, NEB. – Record-breaking, global comedy superstar, **Jeff Dunham**, is bringing his cast of characters on the road this fall through spring 2018 as America's favorite ventriloquist tours North America on his 60-city *Passively Aggressive* tour. Tickets go on sale beginning Monday, September 18 on JeffDunham.com. On April 7, Dunham will bring his act to Omaha, Nebraska.

Dunham just released his latest standup special, *Jeff Dunham: Relative Disaster*, on Netflix this month. The special features Dunham along with his ill-behaved and slightly demented posse of characters for a gleeful skewering of family and politics. Dunham and his famous cohorts Walter, Achmed the Dead Terrorist, Bubba J, and Peanut also consider what a new member to their already dysfunctional family could mean, putting the 'relative' in *Relative Disaster*.

Dunham, a Guinness World Record holder for "Most Tickets Sold for a Stand-up Comedy Tour," has built an entertainment empire over years of non-stop touring and innovation. With over a million YouTube subscribers amassing over a billion views, he has carved out his own unique space in the comedy world leading to record-breaking viewership with his comedy specials on Comedy Central and NBC. His 2015 standup special, *Jeff Dunham: Unhinged in Hollywood*, debuted on NBC Primetime in the fall and ranked as the time period's top non-sports program on the Big 4 in every key measure.

After taping *Relative Disaster* in Dublin, Ireland, Dunham returned to the U.S. and has continued selling out arenas across the country on his *Perfectly Unbalanced Tour*.

And finally, adding to an amazing list of recent accomplishments, Dunham's contribution to the world of show business and comedy will be recognized on Thursday, September 21 when he receives a star on the Hollywood Walk of Fame, commemorating over two decades of superstardom. Said Dunham recently, "When I moved to Los Angeles in 1988 with a car full of clothes and a couple of dummies, never in my wildest dreams did I imagine that one day I would be tripping over my own star on the Walk of Fame. It's truly fantastic and a great honor; I just hope it's not in front of an adult store. Okay, actually, that would be hilarious."
