**Tickets for performances at CenturyLink Center Omaha go on sale June 20, 2017 at 10am.**

“Before dreaming up this show, we reflected on what makes Disney’s leading ladies so unique,” said Producer Kenneth Feld. “Having three daughters, it didn’t take long to realize that every princess had one thing in common: each one had a dream and the determination to make it a reality. We wanted to share that inspirational message with our audiences by celebrating the stories of these courageous young women and the friends that helped them along the way.”

Guests will also enjoy a special second act including royal sisters, Anna and Elsa from the Academy Award®-winning and number one animated feature film of all time, Disney’s *Frozen*. Audiences will enter the land of Arendelle and journey up the North Mountain with Olaf and

rugged mountain-man Kristoff as they help the sisters discover true love can conquer all. “Being able to include these new and exciting characters from Disney’s *Frozen*, keeps our shows current and ever evolving,” adds Feld.
